### **DEQ invites exhibitors, attendees to register for Green Business Expo**

**BATON ROUGE** – The Department of Environmental Quality will hold a Green Business Expo on August 25 to showcase innovative, environmentally friendly businesses. Exhibitors have until July 26 to register for the event for a cost of \$275. The fee guarantees a booth in the exhibition room, allows for two people to attend the expo and includes breakfast, lunch and refreshments. Additional fees apply after July 26.

The expo will feature nine speakers who will each discuss their green business. Registration begins at 7 a.m. and closing remarks are set for 4 p.m.

The cost to attend the Expo, hear the speakers and visit the booths in the exhibition room is \$60 and also covers breakfast, lunch and refreshments.

“We believe, together with our partners, that we have developed an opportunity to provide sound economical business ideas to people who have environmental needs,” said DEQ Secretary Peggy Hatch. “This expo provides the department an opportunity to promote environmental awareness and responsibility by matching green businesses with consumers who are interested in their products. This expo gives business leaders, exhibitors, and anyone else who is interested in advancement of environmental protection the opportunity to discuss ideas and the benefits of green business.”

If you would like to register as an exhibitor or an attendee, or for more information on the expo, go to:
